

What is the real meaning of buying off the plan?

People think an off the plan purchase is buying from a draft drawing. This plan doesn't exist as yet and it is only a proposal

As with any proposal, your expectations and the relative could be a big different

Another meaning of what is the meaning of off the plan purchase is-

“Off the Plan” is that the building will not be going according to plan

Therefore, when you buy an off the plan property, you must build in some risks into it. Please do not expect perfection
